If you would like your event published in the bulletin, please call the parish office at 734-2753. It is important that you call by Friday, one week, prior to the bulletin publication.

An Evening of Academics & Art for grades preschool – 8th

All St. Ignatius families and friends are invited to an Evening of Academics and Art being held at the school on May 4th & 5th from 4:00 PM – 8:00 PM. In an effort to help with social distancing, we are offering this special event on two different nights. You may choose which one that best fits your schedule. The hallways will be filled with special work from our students. Refreshments will be served and the Scholastic Book Fair will be on display in the school gym. This is a new event for St. Ignatius School, and we are hoping that it is successful. We have a lot of extremely smart and talented students and cannot wait to display their work for everyone to see! Please join us!

PRESCHOOL

Our preschool classroom for this coming fall is full with 16 little ones. Due to the success of our current program, we are advertising for a second preschool classroom. If we have enough interested families, we will have a classroom for the three years olds and a separate classroom for the four year olds. However, this is all dependent upon numbers. If you or someone you know has a potential preschooler for the fall of 2021, please call the school office at 734-3443 for more information. God has blessed us these past few years, and we are truly thankful that our school is thriving.
